

Student – Athlete Nomination Form

Norwell High School Athletic Hall of Fame

Men and women who have graduated from Norwell High School are eligible for nomination to the Norwell High School Athletic Hall of Fame. Eligibility shall begin five years after graduation from Norwell High School.

This form should be used as a cover sheet for a package of information to be presented to the Norwell High School Athletic Hall of Fame Selection Committee. Any pertinent information should be presented in the nomination package. Induction shall be based on the athletic prowess of the individual including consideration of personal integrity, high standards of sportsmanship and good character. Records, championships, awards and memorable performances are all important to note.

The more research that the nominating party does, the less that the Selection Committee must do. This is to say – an impressive, comprehensive presentation makes a better case for your candidate. Articles, stories and other supporting information are encouraged.
