

October 1, 2024

Dear Norwell Community,

Norwell Public Schools is in the process of developing a new five-year strategic plan. NPS has a long tradition of strategic planning. Participation from the whole community is most important to this process. The Teaching and Learning Alliance is running focus groups, gathering school data, processing survey results, and facilitating the Strategic Planning Committee.

The survey will be open from Tuesday, October 1st through Friday, October 11th. All stakeholders including parents, caregivers, students, residents, local leaders and businesses, and all school staff are invited to take the strategic planning survey. Please share this survey with recent graduates from NPS (over the past four years) as well. Their insights are most welcome. Please click on the link below or scan the QR code to take the survey.

Thank you for your time, feedback and continued support for Norwell Public Schools.

Sincerely,

Matthew A. Keegan
Superintendent of Schools
