March 1, 2023

Hello Students, Parents and Guardians,

We spoke to students during the lunches this week about Monday's MCAS Infrastructure trail. This is a way for us to ensure that students know where they will be testing on test day and are all able to access WiFi at the same time. Students will be logging into a training site to complete several practice questions that are not scored, this is simply a practice test.

What students will need on Monday, March 4, 2023:

1. iPad charged and ready
2. #2 pencils
3. A positive attitude (as always)

We thank students in advance for their participation and cooperation during the Infrastructure Trial on Monday, March 4.

Just a reminder, the actual ELA MCAS exams are scheduled for April 9 & 11, 2024.

Thank you,

Ellen Murray
