September 6, 2023

Hello,

Below is the link to today's powerpoint that was presented at our Welcome Back assemblies. We could not be more pleased to have school back in session and we are looking forward to a great year.

[NMS Welcome Back 2023-2024](#)

Today, we asked each grade what they thought were some key factors to success in school. There were some common threads and one of them was "Be Kind". Our school motto is "Work Hard. Be Kind & Help Others." so we were very pleased to hear students identifying this as an important aspect of their days.

The end of the slide show contains a video, that was also shared with each grade, that reinforces the theme of kindness and delivers the message that who you are and what you do matters. Students and families can view the video by clicking [HERE](#).

We are off to a successful start and we know that students' actions will back up their words. This means we are looking forward to a year filled with kind words and actions, support for students and classmates, and hard work that will lead to academic growth and achievement.

Thank you and enjoy the day,

***Ellen Murray***
