Hello Students and Families,

We are diligently working to prepare for the start of the 2022-2023 school year. Please keep an eye on your inbox over the next few weeks for updates and information.

This email is about technology and iPad distribution for grades 6 - 8. This year we are distributing the iPads before the school year begins to ensure that students and teachers are able to get things started and make connections during that first week. It is important to note that in order for a student to get the school-issued iPad the appropriate sign-offs will have to be completed in Aspen. The school handbook will be available on the website on August 23, 2022, and we will send out a reminder at that time for parents/guardians to log into Aspen and sign-off on the forms.

Below is the schedule for students to pick up their iPads. Grade 6 will get their devices during the open house and grades 7 & 8 are grouped alphabetically and can come in on September 1 or 6, 2022. Should there be a conflict with the day/time, please email me at [ellen.murray@norwellschools.org](mailto:ellen.murray@norwellschools.org).
