Hello Students, Parents and Guardians,

This email contains two important pieces of information. The first is a request for student volunteers this Wednesday, 3/20, from 6 - 7pm and the second is a document that contains a summary of last week's Cyber Sense presentation.

1. **Student Volunteers:** Please fill out this [STUDENT VOLUNTEER FORM](#) if you are able to assist with building tours during this Wednesday's 5th Grade Parent Night. We will be hosting a presentation from 6:00 - 6:45, with tours running from 6:45 - 7:00. Who better to show off the school than the students who walk through it every day? Thank you in advance for your assistance!
2. **Cyber Sense:** ADA Amanda Fowle presented to our students last week. We felt it might be helpful for families to have a summary of her presentation that could potentially be used as talking points at home as well as some suggestions for families to help keep each other safe online. Click on this [CYBER SENSE](#) link for a summary of the presentation.

Thank you,

**Ellen Murray**
