To Parent(s)/Guardian(s) of sixth grade students,

As we prepare for next year, we are asking parent(s)/guardian(s) to review the world language course selection form with their child, and review the world language choices for seventh grade. Students will auto enroll into their core (ELA, math, science, social studies) and exploratory courses. We have eleven exploratory courses to provide enrichment opportunities for incoming seventh graders. Please click on the [Program of Studies](#) for additional information on the courses offered or further details about the middle school.

When you have completed the form, please click submit. Course selection forms are due by April 25th.

If you have any questions, please contact the NMS Guidance Office at 781-659-8814. All forms must be submitted by April 25th, 2024.
