

# Sam the Slacker

Sam has a big science test tomorrow and he has put off studying until the night before. When he gets home, a friend calls and wants him to go to the mall. Sam decides to go, thinking he will study when he gets home. When Sam gets home, he discovers that his grandmother has stopped by his house for a visit. It would be rude not to visit with his grandmother, so Sam thinks he will study after his grandmother leaves. When his grandmother leaves, his girl friend calls and needs to talk to him about what happened to her in PE. Sam decides he will study for his test when he gets off the phone with his girl friend. When he gets off the phone, he looks in his backpack for his study guide. His backpack mess delays him. After searching for 30 minutes, he can't find the study guide and has no idea what to study for the test. He decides to call Mark, a friend in his science class, but he does not have his phone number. His mom comes and says it's time for him to go to bed and he says he still needs to study for his science test. He decides to do the best he can and starts looking at his book. It is getting late, Sam is tired, and he falls fast asleep. Since Sam stayed up so late the night before, he doesn't hear his alarm and oversleeps. He is late and doesn't have time for breakfast. Sam is stressed out and worried that he will surely fail the test. He takes the test and fails it.

List all of the bad decisions that Sam makes:	What could Sam have done differently?
