++ Fees go to turf replacement fund

**Field Lights \$15/hour**

\* Use may require professional staff, technicians, or supervisors in addition to the hourly rate for the facility.

\*\*\* In lieu of the hourly rate, the Superintendent/designee may establish a reduced, lump sum yearly rental fee for use of

cafeterias and community rooms during regular building hours by service oriented community organizations such as Norwell scouts

and the Norwell Women's club; otherwise, Group 3 rates apply, as does the cost of any required school staff such as custodians.
