Norwell Public Schools does not discriminate on the basis of race, color, religious creed, national origin, gender, gender identity, age, ancestry, pregnancy, pregnancy-related condition or disability in its admission or access to, or treatment or employment in its programs and activities.

2021 ANNUAL REPORT OF THE SUPERINTENDENT

Calendar year 2021 was a challenging year for Norwell Public Schools as safety guidelines and shifting learning models were required during the COVID-19 pandemic. During the summer of 2020, the District was required to develop a District Reopening Plan in alignment with the Department of Elementary and Secondary Education (DESE) school opening guidance. The reopening plan outlined how the District would implement remote, hybrid, and in-person learning models dependent on safety requirements and guidelines. Safety guidance, learning models, facility upgrades, the social emotional wellness of students and staff, as well as constant community communication became priorities.

During the 2021 school year, Norwell Public Schools identified three strategic goals to address the COVID-19 pandemic. First, to address all DESE safety guidance: COVID-19 Handbook inserts, a District Reopening Plan, a Hybrid to Full In-Person Learning Transition Plan, as well as initiatives for cleaning, sanitizing, handwashing, and air quality control were implemented. Secondly, the creation of various learning environments through three learning models were developed and altered as guidance evolved. A core part of the *NORWELL 2025* Strategic Plan was accelerated through intensive training for all educators to access and use a new Learning Management System (Schoology), allowing teachers to transition in and out of the differing learning models. Thirdly, professional development was implemented regarding social emotional learning, sustaining educators, building relationships with students, and using trauma sensitive teaching strategies.

Communication with families became essential as new state guidance and a crisis environment were constant throughout the year. The Norwell Public Schools website became a repository for all published plans and transitions, the COVID-19 Dashboard, and the COVID-19 PASS for families and students to fill out before entering school. Letters from the Superintendent's office communicating positive case rates, Principal Newsletters, and Principal forums also kept families informed throughout the year. The School Committee engaged in online community meetings to openly communicate and answer questions for parents through public comment. Fortunately, Norwell Public Schools was able to return to full in-person learning on March 30, 2021.

Office of Teaching, Learning & Technology: The Office of Teaching, Learning & Technology's major focus was to cultivate a learning environment during COVID-19 that supported the District in adapting to and implementing learning across in-person, hybrid, and remote learning settings. All three learning environments were implemented during the year, sometimes simultaneously. For students and families opting for fully virtual instruction, the elementary schools ran a Remote Academy with existing staff, and the middle and high schools provided subject specific coursework by contracting with a DESE approved virtual school. Collaboration among curriculum coordinators, instructional technology teachers, and administrators increased dramatically. School day schedules were adjusted multiple times at all building levels to comply with changing DESE Student Learning Time regulations. Comprehensive training for all staff in Schoology occurred prior to and throughout the school year. Additionally, training in the use of virtual platforms for instruction while maintaining student privacy was an ongoing focus. In place of the existing substitute system, 12 COVID-19 Aides were hired for each building to provide coverage for absent teachers and promote safety, while minimizing COVID-19 exposure.

Office of Student Services: The Office of Student Services focused on several areas. A priority was Health Services. Our school nurses were tasked with educating staff, parents and students on the COVID-19 procedures and protocols. The nurses developed presentations and written communication for staff, families and students about the virus, use of social distancing, Personal Protective Equipment (PPE), guidelines for the nurse's office and school dismissal when necessary if COVID-19 was suspected. They worked closely with the Norwell

Board of Health (BOH) to both identify close contacts and communicate next steps relative to isolation and quarantine. This required adjustments to the set-up of each health office and the creation of a medical waiting room to evaluate individuals with COVID-19 symptoms. To support the health and safety needs of the buildings, it was necessary to add two float nurses and two health aides to assist in parents and Board of Health notifications and supervise the medical waiting rooms.

The Student Services team also focused on expanding the use of Schoology to provide instruction and information to students and families in order to facilitate improved engagement during hybrid learning. Programs were developed at each school to increase in-person learning opportunities for all students identified as having high-needs. To ensure that all IEP services were met whether the student was present in-person, at home for hybrid learning, or home due to quarantine, students, special educators and related services staff set up daily check-in times both before and after school. Individual student remote learning plans were created as a way to ensure communication and collaboration with families. Increased parent communication and evening presentations were provided to inform the community about the frequent adjustments to programming. Social emotional learning was an essential focus during the hybrid model. Staff and students benefited from the opportunity to connect with one another and deepen their relationships. Individual student social emotional surveys were administered, and using the results, school counselors were able to develop regular sessions to explicitly teach the social health curriculum and allow students the time to interact with peers. District staff were provided with numerous self-paced professional development modules, and weekly social emotional drop-in hours were provided to allow individuals time to share experiences, suggestions and support.

Office of Finance, Operations & Technology: Remote learning was addressed through a significant upgrade in school technology. Schoology was fully implemented in the elementary schools and internet speeds were increased from 200mbps to dedicated 1gps circuit. The Google platform was enhanced and additional devices were purchased for students to take devices home. The District, in collaboration with the Town of Norwell and Cares Act grant money, was able to fully upgrade the server infrastructure.

Food Services continued to be a strength of Norwell Public Schools. During the pandemic, Norwell Food Services were able to provide food to all town children from ages four to twenty two years that needed assistance. Hundreds of meals were provided to children daily both in and out of the school setting. All meals were in alignment with the State nutritional standards and supplemented by the State of Massachusetts and federal grants.

Fiscal year 2021 was also a very busy year for the Facilities Department. Every classroom was upgraded with new HVAC controls utilizing the CO2 levels in each room to control the rate of fresh air coming into classrooms. Fresh air was the main operational strategy used in preventing the spread of COVID-19. In addition to fresh air, electrostatic sprayers were utilized in unison with a strict cleaning program to ensure a safe learning environment for all students and staff. Additional custodians were hired with the help of Cares Act funding to manage all of the building procedures including lunch room cleaning, which was expanded to include gyms and cafeterias in each school building.

Ongoing Partnerships

- Representation on Norwell's All Are Welcome Committee and Town Technology Committee;
- School Resource Officer with the Norwell Police Department;
- Shared solar credits with Town Departments; and
- Worked closely with the Norwell Board of Health agent and public health nurses in reviewing procedures and contact tracing.

NORWELL PUBLIC SCHOOLS

SECTION ONE: TOWN MEETING INFORMATION GUIDE

FY'23 BUDGET MESSAGE

Managing Resources

During the 2021-2022 school year, the overarching vision has been to reestablish a sense of belonging, create a positive learning environment, and to build student academic stamina. While in-person learning has been maintained throughout the year, student learning will be a priority over the next few years.

The FY'23 School Committee Budget reflects an increase of 3.60% or \$1,083,143 that manages contractual obligations and adds a district-wide inclusion specialist, an elementary technology teacher, a high school music teacher, and four kindergarten regular education aides. Norwell Public Schools will maintain the textbook cycle to continue to address Elementary Math, Secondary Science and Social Studies, and initial resource requests for the NORWELL 2025 Strategic Plan. The technology cycle also continues as we maintain our 1:1 iPad system in grades 6-12, classroom iPads in grades K-5, and teacher laptop cycle. Norwell students have the opportunity to interact regularly on devices and computers, developing digital proficiency.

Special Education out-of-district tuitions have been monitored over the last several years and continue to be highly strained. In coordination with the Town Administrator, a request will be made to add \$300,000 to the Special Education out-of-district tuition Stabilization Fund during the Special Town Meeting. During the Regular Town Meeting, \$395,000 will be requested from the stabilization fund for Special Education out-of-district tuitions to be expended during the 2022-2023 school year.

Norwell Public Schools has been vigilant in addressing facility needs and engaging in preventive maintenance work, keeping the facilities up to date in order to maintain a safe environment for students and teachers. In order to proactively address facility maintenance, inspections, and capital coordination, the 16th custodial position will be reallocated to secure a planner scheduler. In the coming year, we will continue to address small non-capital issues. At the same time, we are collaborating with the Town by requesting support from the Capital Budget to:

- Continue the scheduled replacement of kitchen equipment
- Replace the HVAC unit at the Vinal School Library
- Acquire a custodial van
- Replace the generator in the Sparrell building
- Update the elevator in the Sparrell building

Continuous improvement remains a core value of Norwell Public Schools. We are truly thankful for the ongoing support of the community in the education of the students of Norwell Public Schools. The efforts of the Norwell community, particularly our faculty and staff, as well as our partnership with the Norwell town departments, have made this possible.

Student Instruction

\$23,757,621

Activities related to the Development, Support, Supervision and Assessment of Instruction. Includes expenditures for:

- + All Classroom Instruction
- + Textbooks
- + Instructional Technology
- + Social Health
- + Principal's Office
- + Library
- + Professional Development
- + Guidance & Psychological Services

Out of District

\$1,450,000

Includes expenditures for:

- + Special Ed. Tuitions

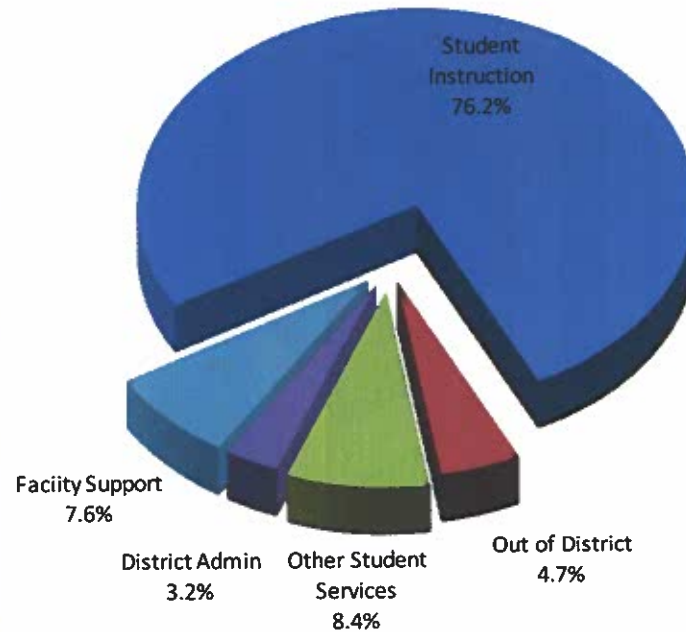

Other Student Services

\$2,603,232

Non-Instructional and Co-Curricular Activities in support of the Students. Includes expenditures for:

- + Transportation-All
- + Health & Nursing
- + Student Activities
- + Athletics

TOTAL BUDGET \$31,170,471

District Administration

\$987,452

Activities which have as their purpose establishing the General Direction, Policy and Budget of the entire School System. Includes expenditures for:

- + School Committee
- + Superintendent's Office
- + Administrative Services
- + District Wide Info Management

Facilities Support

\$2,372,166

Includes expenditures for:

- + Technology Maintenance
- + Custodial Services
- + Heat (Fuel Oil & Gas)
- + Electricity
- + Telephone
- + Summer Help
- + General Maintenance
- + Building Maintenance
- + Grounds Maintenance
- + Replacement of Fixed Assets
- + Equipment Maintenance & Service
- + Facility Manager
- + Community Service
- + Town Election Support

NORWELL PUBLIC SCHOOLS

Core Values

Children First

- Basis for all decisions
- Inclusive of all children
- High expectations for all children

Cultivation of Learning

- All decisions promote student learning
- Centrality of the classroom and learning environment
- Teacher as the resident expert and facilitator of learning

Community Focus

- Service profession
- Community and family partnerships
- Listen and communicate
- Investment in the future

Continuous Improvement

- High expectations for self and organization
- Lifelong learning for all
- Foster innovative thinking

NORWELL HIGH SCHOOL

Class of 2021 College Acceptances

Barron's Profile of American Colleges groups colleges into seven categories, with the first four categories being *Most Competitive*, *Highly Competitive*, *Very Competitive* and *Competitive*. Of the 158 students from the Class of 2021 going directly to college, 80 (50.9%) planned on attending colleges in the *Competitive* to *Very Competitive* categories, with 62 (39.5%) students planning to attend schools in the *Most* and *Highly Competitive* categories. The following is a listing of all the colleges that *accepted* graduates of the Class of 2021. Highlighted in grey are the colleges the students plan to attend.

Most Competitive 108 Students – 14.2%		Highly Competitive 97 Students – 12.7%		Very Competitive 212 Students – 27.9%	
Bates College (3) (2)	University of Rochester	American University (2)		Arizona State University (3) (1)	University of San Francisco
Bennington College	Tufts University (3)	Babson College	University of Pittsburgh	Bryant University (9) (2)	Pratt Institute (2)

SCHOOL COUNCILS

COLE SCHOOL

Eliza Burns, Principal
Mariana Kretov
Jessica Finn
Pamel Crohan
Theresa Garvey
James Thornton
Jennifer Bretsch
Molly Fraser
David Gonzales

VINAL SCHOOL

Nathan Thorsteinson, Principal
Alison Carr
Carin Gosselin
Caitlyn Fraser
Nicole Pedro
Robbin Fitzgerald
Sandra Ameri Emani
Laura McNeil
Mary Lou O'Leary

NORWELL MIDDLE SCHOOL

Derek Sulc, Principal
Lisa DiFrisco
Bill Cook
Cindy DeBenedictis
Jason Fraser
Kathy Mutryni

NORWELL HIGH SCHOOL

Marc Bender, Principal
Kim Guarachi
Jane Twombly
Timothy Wall
Amanda Miller
James Carey
Amy Cortright
Casey Heaney
Meghan Hogan

PARENT LEADERSHIP (PTO)

COLE SCHOOL

Ren Layne, President
Katie Creedon, Media Relations
Amanda Lacara, Treasurer
Rori Sullivan, Enrichment
Heather Doherty, Enrichment
Caitlin McKinney
Julie Otero
Jill Donelan
Jacqueline Soussa
Emily Leahy
Veronica Carney

VINAL SCHOOL

Carin Gosselin, President
Jennifer Ruggeri, President
