August 9, 2022

Dear NHS Community,

Over the last several weeks, Norwell High School has conducted an extensive search to find our next Athletic Director. Today, it is with great pleasure that I announce that Mr. JJ Niamkey has been appointed as Norwell High School's next Athletic Director.

Mr. Niamkey comes to us from North Quincy High School where he has been the Director of Athletics for the past five years. Prior to his appointment as Athletic Director, Mr. Niamkey served as the Assistant Athletic Director at North Quincy High School for a year and a half. Furthermore, Mr. Niamkey has held various managerial positions in the private sector prior to his work at North Quincy. In addition to his professional experience, Mr. Niamkey holds a bachelor's degree in Communications from Stonehill College and a master's in Sports Leadership from Northeastern University.

The personal and professional qualities that Mr. Niamkey brings to this position are as important as the above experience and training. An interview team of 9 people interviewed 8 highly qualified candidates for this position. There were two parents, two students, two teachers/coaches, a school secretary, a building administrator, and myself on the interview team. Mr. Niamkey looks forward to communicating and developing relationships with all stakeholders in our athletic community. He is very excited to become a Clipper and looks forward to continuing our tradition of academic and athletic excellence.

Mr. Niamkey will officially begin his position on Thursday, August 18, 2022. He will be sending an email to introduce himself and share his contact information with our school community next week.

Please join me in welcoming Mr. Niamkey!

Sincerely,

Marc F. Bender  
Principal  
Norwell High School
