Dear Parents/Guardians:

We are pleased to announce that Norwell Public Schools will be running both half-day and full-day kindergarten programs at both the Cole and Vinal Elementary Schools for the 2019-2020 school year. On January 8, 2018, the Norwell School Committee voted to support full-day kindergarten for all families as well as maintaining the half-day kindergarten option for those who would prefer that option for their child. The kindergarten program is open to all Norwell children who will be five years of age before September 1 of each year.

The Norwell School Committee will be setting the tuition rate for the full-day sections in the coming months. Based on our best estimated enrollment numbers the tuition will not exceed \$4,000. Registration for both the half-day kindergarten and the full-day kindergarten programs will be open on the Norwell Public Schools website (www.norwellschools.org) as of Friday, January 11, 2019. If you need assistance with the online registration, please contact Ms. Tricia White at the Norwell Public Schools Central Administration Office at 781-659-8800.

Further information will follow from the elementary school principals by the end of the week. Should you have additional questions, please feel free to contact any one of us directly. We look forward to welcoming you and your student into the Norwell Public Schools family!

Yours,

Diane L. Provenzano
