Updates From the Health Office

February is American Heart Health Month! Last year I started to teach all the 5th grade hands-only CPR and the Heimlich. This week I started to teach one of the 5th grade classes, and over the next few weeks, the rest of the 5th grade classes will also have their CPR lessons. The teachers will share some photos of the classes, and the students have been the best audience and have enjoyed learning this important life skill.

Updates from Mrs. LaSalle our School Psychologist

Sometimes our brains have big feelings. Some of those feelings are positive, but some are not so good. And when our brain has big feelings, we can often feel it in our bodies too. We might become tense, or tired, or shaky, or hot, or panicky. In these moments, when the "big, bad feelings" are taking over, it can be helpful to have a toolbox of coping strategies to try! Each week, check in for new strategies. Keep in mind, sometimes a strategy may work, but other times it might not. Don't give up— keep trying that strategy! And if your first strategy doesn't help, never fear. Pick another and give that one a try! Now, let's learn about some small strategies to tame some big feelings!

The size of the problem: Sometimes, our brains need a reminder that the size of a reaction should match the size of the problem. Think about the size of the problem. Is this a big problem, like an earthquake? A medium problem, like a disagreement with a friend? Or a tiny problem, like forgetting your homework? Now, make sure the size of your reaction matches the size of the problem. It can help to talk this out with a friend or adult if you are unsure how big the problem is!

Beginning Recorder Notice

2/12/24

Dear Vinal families;

This year we are reintroducing the Vinal School recorder program in general music class. Students in grades 3-5 will have the opportunity to learn the recorder.

This is an important part of the music curriculum as playing the recorder teaches students to use good posture, breath control, enhance fine motor skills, listen to others, play in an ensemble, read music notation, and care properly for an instrument. Recorder will remain a part of music class for the rest of your child's time at Vinal School.

Each student will need to own a soprano recorder. The cost to purchase a recorder through the Vinal School PTO is \$3.00. If you wish to purchase a recorder, please enclose your payment (cash only) with the form below. If you already own a recorder, please have your child bring it into school in a recorder case or plastic bag with their name clearly labeled. If cost is a concern to you, please contact our principal, Nate Thorsteinson, to make arrangements to receive an instrument.

Thank you and please reach out should you have any questions.

Sincerely, Stephanie Barry Vinal Elementary School Music Teacher stephanie.sousa@norwellschools.org

Fill out, cut off, and send to school with your child by Wednesday 2/28/24.
