

Welcome to Ms. O'Malley's Third-Grade Class

Hello Soon-To-Be-Third Grader!

I am so excited that you are in my class! This school year, we will create a joyful classroom community based on **cooperation, respect, responsibility, self-control, and empathy**. You will make many new friends. You will also study and learn about new, exciting topics such as:

- multiplication and division
- cursive handwriting
- fractions
- Native American tribes of Massachusetts
- the history and geography of Norwell
- reading a variety of genres
- writing narrative, informative, opinion, fiction, and research based pieces

I would like to invite you to send me a letter this summer. Some ideas to write about are:

- Tell me about your family.
- Do you have any pets?
- What is your favorite subject in school?
- What activities do you enjoy doing?
- Do you like to read? If so, what has been one of your favorite books?
- Tell me about your summer vacation plans. Do you do any camps?

These questions are just suggestions, but if you want to write more, I would love it. The letters help me to get to know each of you before school starts. Please write or draw anything you want to share with me.

My **address** is:
