The Kelli Meade Annual STEM Scholarship

Part I. Scholarship Overview

In partnership with the Meade Family and the William Gould Vinal Elementary School, the Norwell Education Foundation is proud to introduce a scholarship fund in memory of beloved Norwell Public School educator, Mrs. Kelli Meade. This scholarship fund will help to continue her legacy of supporting educational excellence by annually honoring a Norwell High School senior who plans to major in a Science, Technology, Engineering and Mathematics (STEM) field and displays leadership, a commitment to community service, kindness, and grit. A scholarship award of \$2000 will be provided to one Norwell High School senior that best exemplifies this criteria each year.

Part II. Scholarship Criteria

- The applicant must be a Norwell High School senior providing proof of enrollment in a four-year accredited university or college.
- The applicant must be planning to pursue a field of study in Science, Technology, Engineering, or Mathematics (STEM).
- The applicant must demonstrate leadership, kindness, critical thinking ability, grit, innovation, and desire to support the community.
