Teacher Lunch: Jinda

- The lunch was great success. The teachers were very appreciative.
- Note was emailed from Christine Smith with an update from the senior breakfast:
I want to give a quick update on the Senior Breakfast etc. Brenda left such good instructions for the breakfast and it seemed to go beautifully. It is a fantastic event that seems so well loved by the Seniors

and it is nice that it is open for parents to help and enjoy with the students. Donations were generous and the sign up genius filled instantly. I am not sure if Mr. Fish will have feedback on how to do the raffles though, as it took a long time to hold the students attention for so many generous gift cards to be distributed. I loved this event and I volunteer to take it back in two years!

For Undergraduate Awards, I am working on the guidance and secretary gifts.
