PTO Business: Brenda

- **Quiz Night:** Former NHS PTO Chair Howard Hershoff sponsored the teacher table. KFC will also donate to the event. As of now 6 tables have been sponsored. We are still looking for more sponsors at a lower cost, donations and volunteer help. Tickets are available for sale.
- **School Flags:** Looking for a vendor and company to install vertical flags on the campus with the N logo. Kara Davis reported that the school flag post located in the back of the school is broken. That is why no NHS flag has been posted. She will look into a company to have it repaired.

Capital Improvements: Brenda

- Looking for suggestions to make additional improvements to the school and school grounds.
- The marquee sign was placed in the front of the school with additional signs labeling parking lots. The marquee is almost ready to be used, just waiting for a plexiglass to be installed for better protection. Additional signs with NHS have been posted on Main Street.

Principal Report: Mr. Fish

- Anti-Defamation League is holding three day peer training. There are 30 students who are participating in this program. The main idea is to create inclusive community. Ms. Sladky Latin teacher attended ADL teacher training over the summer.

Open Discussion:

- Question was directed to Mr. Fish about school policy observing anniversary of student's death. Mr. Fish explained due to respect of family and student privacy such anniversaries are not observed by the school. However, the school will provide space and resources to students who need any additional support around such time.

Next PTO meeting is held on February 7th at 9:15 am.
